
Grande Imbroglia Gaston Criel

bollettino delle novità - comunestelfranco-emilia ... - apparso nel 1952, il romanzo più ambizioso di gaston criel ha disegnato un affresco di quella realtà chiaroscura che fu la Parigi della prima metà del novecento, la Parigi scannata, sporca, persa tra piccole ebbrezze e ansiosa di colmare un vuoto sempre in agguato, di ingannare, a sua volta, il grande imbroglia della vita.
